# CHAPTER-1: Who am I ?

It was the first day of high school, there were only three people in the class. The one that's looking out of the window is me.

And that's when I saw the bullies...

That's when I realised I was angry.

I couldn't control my anger.

SIR!

Yes.

May I use the restroom

I rushed outside...

Few minutes later

Meanwhile, Somewhere in the Universe;

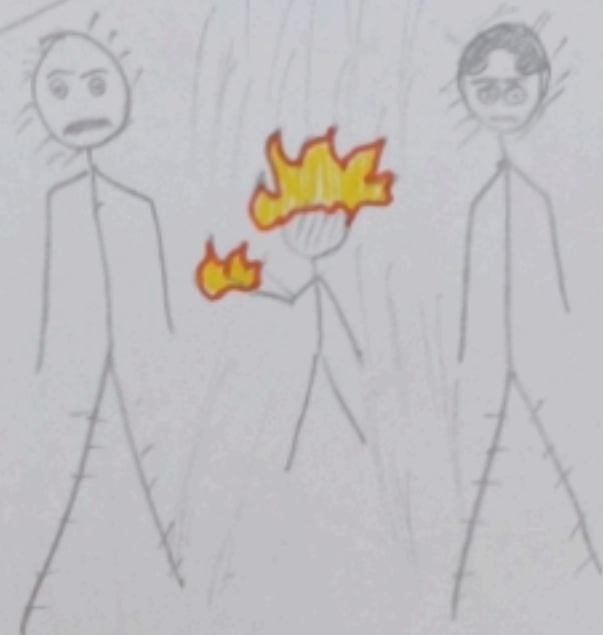

Bro acted all  
tough for no  
reason

He will definitely not  
wake up for 2 days
